

Sponsorship Deck

Braga 2026

Drupal Iberia brings together leading web development experts, as well as professionals and enthusiasts who want to deepen their knowledge or discover the potential of Drupal.

Drupal Iberia promotes the use of Drupal and act as a bridge between the Portuguese and Spanish communities, fostering collaboration, knowledge sharing, and the growth of the Drupal ecosystem across the Iberian Peninsula.

The event is organized on a rotating basis between the two countries:

- 2024 – Évora (Portugal)
- 2025 – Cáceres (Spain)
- 2026 – Braga (Portugal)

Learning and Knowledge Sharing

Exchange practical experience, best practices, and real-world Drupal knowledge.

Promotion of Drupal and its Community

Showcase Drupal's value and strengthen visibility of its community.

Strengthening the Network

Connect people and organizations to foster collaboration across the ecosystem.
